Station Mangalore, *Dated the* 5th May 1923.

From (Name) G.W. Wells, Esq., M.A., I.C.S.,
(Designation) Ag. Collector of S.Kanara.

To The Secretary to the Board,
Land Revenue, Madras.
Thro' the Commissioner of Labour, M a d r a s.

Sir,

The Government in their Order Mis.910,------ (Revenue Department), dated 16th May 1922, -------- communicated with B.P. No. Misc.856 (R.C.), dated 23rd May 1922, sanctioned the assignment of 1½ acres of land in S.No.177/4 of Derebail village to the Depressed Classes Mission, Mangalore for the purpose of a --- settlement for Koragas subject to certain conditions. S.No.177/4 forms portion of S.No.126/1A of Derebail which stands registered as Poramboke dumping ground.

2.-The circumstances under which S.No.177/4 was recommended for assignment are stated below:

On 2.3.1921 Mr. Ellis proposed to transfer the dumping ground from S.No.126/1A to the west in S.No.22/1. The Chairman of the Municipal Council was consulted in the matter and he replied on 20th June 1921 that the - Municipal Council at its meeting held on 17th June 1921 accepted the proposal. Hence the late Mr. Nedungadi proposed plot S.No.177/4 for the Koraga settlement as - suggested by Mr. Ranga Rao, the then Secretary of the - Depressed Classes Mission, Mangalore and addressed the Labour Commissioner in this office letter R.O.C.No.---- 122-22-V.2, dated 12th March 1922. Government ------ sanction was accordingly received for its assignment in the Government Order quoted above and the Secretary of the Depressed Classes Mission was allowed to enter upon the land (though formal assignment has not yet been --- made) and to execute the construction of a well and --- 6 houses for the Koragar settlement, for the purpose of which a sum of Rs.1,000/- was sanctioned by Government in paragraph 1(1) of G.O.No.2247 Mis. Law General, dated 17th December 1921 and was disbursed to the ----- Secretary of the Mission as per Labour Commissioner's proceedings D.C.No.1525/21-22, dated 9th June 1922. In th meanwhile, the Chairman of the Municipal Council was -- addressed on 16th March 1922 as regards the alienation of plot S.No.22/1 to the municipality for use as dumping ground, but on 7th June 1922 he replied that -- the District Medical and Sanitary Officer was of opinion that the site selected viz. 22/1 was unsuitable for dumping purposes and that the said matter was placed before a Committee appointed by the Council for the - purpose. On 20th February 1923 the Chairman sent a final

reply saying that the efforts of the Council to select a suitable site were in vain and that no other suitable or less objectionable site was available within three miles of the town. On learning in personal conversation with the District Medical and Sanitary Officer of the situation in which the Koragars were, I visited the locality with him and after instructing the Tahsildar to seek for alternative sites I subsequently inspected it more fully with the Tahsildar and Mr. Ekambar Rao, the present ----- Secretary of the Depressed Classes Mission. It is ----- clearly dangerous to public health to let the Koragars -- settle in 177/4 and drink the water of the well sunk ---- therein, as trenching operations are still going on in -- immediate vicinity. The removal of the Koragars is,---- therefore, imperative. The expenditure incurred by the Mission for the purpose of forming the settlement in S.No 177/4 is estimated by the Tahsildar at Rs.322-13-10 and - the municipality should in fairness make good this amount less the cost of materials on the land. I accordingly - recommend that a plot four acres in extent out of S.No.22/1* may be ordered to be assigned to the Mission for the Koraga settlement in lieu of S.No.--- 177/4 originally ordered to be assigned to the Mission -- subject to the conditions referred to in G.C. No.Mis.910, Revenue, dated 16th May 1922. As the Koragars have to be provided for and removed to S.No.22/1 before the rains, I have requested the Secretary of the Mission to take the - necessary action in anticipation of sanction as approved by the Labour Commissioner.
